Guitar Fretboard Note Finder

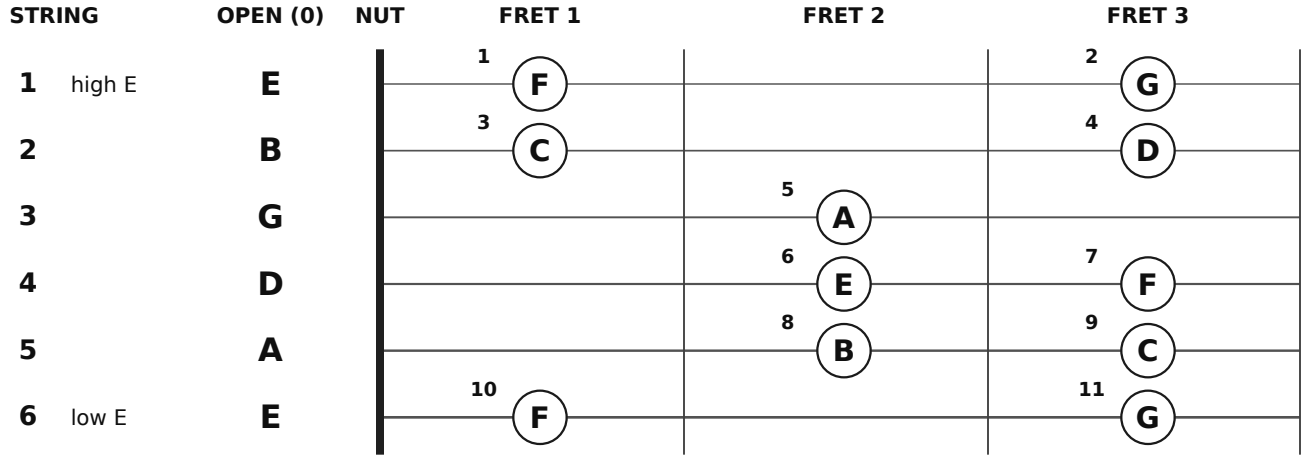

Natural notes | Open strings through fret 3

Name: _____ Date: _____

Standard tuning: 6 to 1 = E A D G B E. String 1 is highest; string 6 is lowest.
One fret raises the pitch by one half step. Fret 0 means play the string open.
Natural-note steps: E-F and B-C = 1 fret. Other neighboring letters = 2 frets.
Letters repeat: A B C D E F G A. The two open E strings are in different octaves.

A Complete the fretboard map

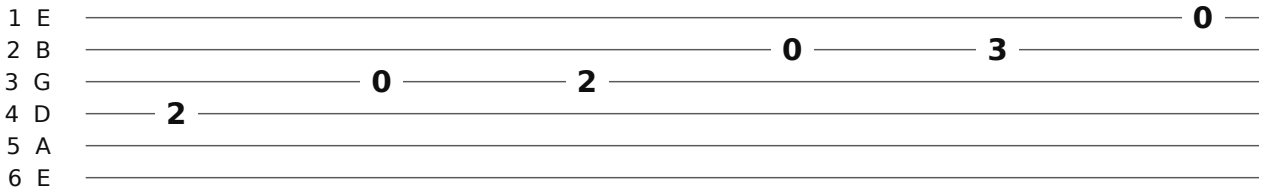

Write one natural-note letter in each numbered circle. Open strings are given.

Spaces without circles contain notes with sharps or flats. Leave those spaces blank.

B Read the tab, then name the notes

Write the note names below. Read from left to right; play one note at a time.
Tab numbers mean frets, not fingers. 0 = open. No rhythm is specified.

12. E 13. G 14. A 15. B 16. D 17. E

C Find the fret

Use only frets 0-3. Write the fret number for each requested note.

18. String 6: play F

Fret: 1

19. String 5: play C

Fret: 3

20. String 3: play A

Fret: 2

Try it: Say the six note names in Part B, then play them slowly on your guitar.
