Keyboard Interval Numbers

Count letter names, including both endpoints.

Name _____ Date _____

For interval NUMBER, count letter names inclusively. C-D is a second. Use the ascending notes in this keyboard octave. Do not count black keys for this task.

Use the model above. Write a brief answer for each item.

1. C up to E is what interval number?

2. D up to G is what interval number?

3. E up to B is what interval number?

4. F up to A is what interval number?

5. G up to upper C is what interval number?

6. Lower C up to upper C is what interval number?

7. Starting on D, name the note a third above.

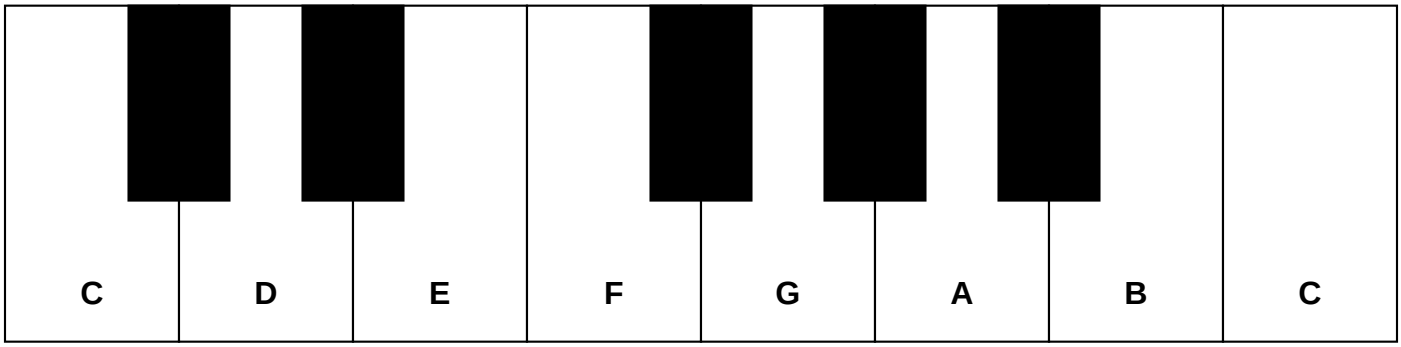

8. Explain why C to E is a third, not a second.

Keyboard Interval Numbers
