Melody Motion

Steps, Skips, and Repeats

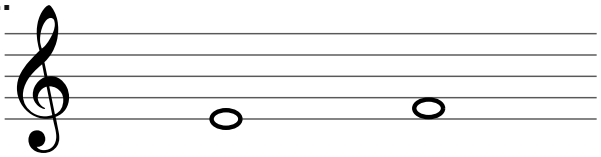

Name: _____ Date: _____

Read each pair from left to right. Write the direction and type of motion.
Direction: up, down, or same. Motion: step, skip, or repeat.

QUICK CLUES

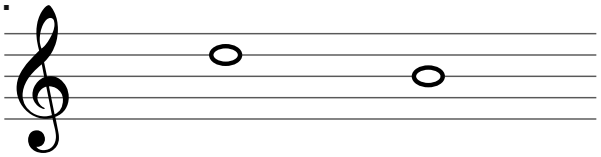

STEP: next line or space. SKIP: passes over at least one line or space.
REPEAT: stays on the same line or space. Higher on the staff = higher pitch.

Direction: _____ Motion: _____

7.

Direction: _____ Motion: _____

8.

Direction: _____ Motion: _____

EXPLAIN YOUR THINKING

How can you tell a step from a skip without naming the notes?
