Mini Podcast: Edit and Export

Plan a short episode and check the final file

Name: _____ Date: _____

Plan a short episode from the clips below. Use each wanted clip once, with no gaps, overlaps, or speed changes. The teacher requests a WAV audio file.

QUICK CLUE

Save the editable project to keep working. Export creates a playable audio file. Open and listen to the exported file before submitting it.

CLIP BANK

A	B	C	D	E
6 sec	4 sec	2 sec	10 sec	3 sec
Sound example	Welcome	Unwanted retake	Explanation	Sign-off

REQUESTED ORDER

Welcome, Explanation, Sound example, Sign-off

This is a paper edit plan; no audio clips are included.

1. **Which clip should be removed from the episode?**

2. **Write the four wanted clip letters in the requested order.**

3. **The episode starts at 0. At what time does the sound example begin?**

4. **What is the complete episode length? Show your addition.**

5. **Keep the work editable AND submit the requested audio. What two files should you make?**

6. **The export is finished. Write two things to check before submitting it.**

For explanation questions, give a clear reason for your choice.

Mini Podcast: Edit and Export

Plan a short episode and check the final file

Name: _____ Date: _____

Plan a short episode from the clips below. Use each wanted clip once, with no gaps, overlaps, or speed changes. The teacher requests a WAV audio file.

QUICK CLUE

Save the editable project to keep working. Export creates a playable audio file. Open and listen to the exported file before submitting it.

CLIP BANK

A	B	C	D	E
6 sec	4 sec	2 sec	10 sec	3 sec
Sound example	Welcome	Unwanted retake	Explanation	Sign-off

REQUESTED ORDER

Welcome, Explanation, Sound example, Sign-off

This is a paper edit plan; no audio clips are included.

1. Which clip should be removed from the episode?

C: Unwanted retake.

2. Write the four wanted clip letters in the requested order.

B - D - A - E.

3. The episode starts at 0. At what time does the sound example begin?

14 seconds (4 + 10).

4. What is the complete episode length? Show your addition.

4 + 10 + 6 + 3 = 23 seconds.

5. Keep the work editable AND submit the requested audio. What two files should you make?

Save the editable project and export a WAV audio file.

6. The export is finished. Write two things to check before submitting it.

Open and listen to the WAV: check clip order and that the beginning/end are complete.

Accept any two: order, full start/end, format, duration, clarity, balance, joins, or no retake.

For explanation questions, accept equivalent well-reasoned responses.
