Parts of the Flute

Name _____ Date _____

Use each word once. Follow each arrow or section bracket.
The enlarged detail separates the plate from the opening inside it.

Word bank: head joint | body joint | foot joint | crown keys | lip plate | embouchure hole

1. _____ **2.** _____

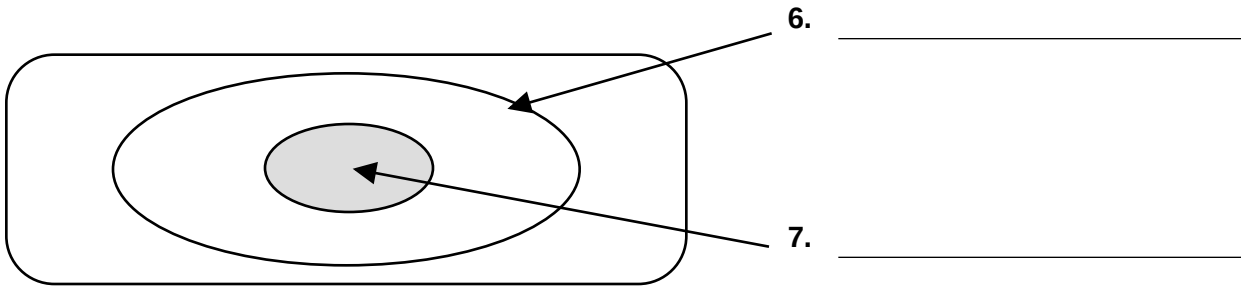

3. _____ **4.** _____

5. _____

Simplified top view of a concert flute. Key mechanisms vary by model; not drawn to scale.

Enlarged head-joint detail

Check your labels: the opening and the surrounding metal plate are different parts.
