Timeline Detective

Read a Multitrack Arrangement

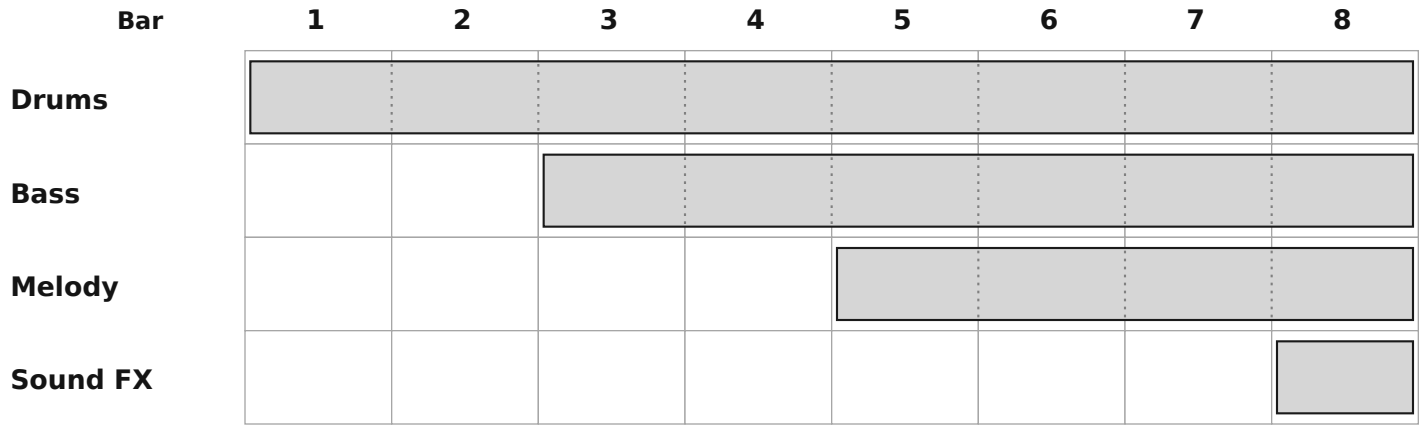

Name: _____ Date: _____

Use the original timeline for questions 1-4. For 5 and 6, imagine each edit separately. Write your answers on the lines.

QUICK CLUES

Each column is one bar. Each row is a track. A shaded clip plays through every bar it covers. Mute silences a track without deleting its clips.

ORIGINAL TIMELINE

Assume all tracks are audible; no clips are muted in this original timeline.

1. Which track begins at bar 3?

2. For how many bars does the melody play?

3. Which two tracks play during bar 4?

4. How many tracks play during bar 8?

5. Move the entire melody clip 2 bars earlier.
At which bar will it begin?

6. Mute the Bass track without moving any clips.
Which tracks will you hear during bar 6?
